

Deployment Discipleship Checklist (1/13/23)

To bring:

- Your heart for Christ – pray before you deploy and dedicate your deployment to Christ
- *Your Bible – bring a good *study* Bible; We suggest one of the following:
 - NASB-95
 - NIV
 - NKJV
 - ESV
- Quiet Time (QT) Journal – to record your daily QT
- Notebook – for taking notes and for Bible study
- Topical Memory System (TMS) kit – see <http://www.whidbeynavs.com/tools/scripture-memory/> - make it a goal to learn 2 verses a week, and learn all 60 (use the *same version that you study in)
- This handout (with URLs)
- Bible Study Materials; consider (see Clay for copies to buy to bring with you):
 - Growing in Christ (13 weeks)
 - Design for Discipleship (33 weeks)
 - BDC (20 weeks): <http://www.whidbeynavs.com/wp-content/uploads/2012/05/BDC-MinistryBinderSize.pdf> (free online - ask your chaplain to print out copies for you to use in a deployment Bible Study)

To do:

- Have a daily QT (5+ minutes); record one thing each day – time in the Word and in Prayer
- Join whatever Bible church you can find (Chapel, local church, etc)
 - *Start a weekly service if none exists* – ask your chaplain if you can become a **Lay Leader**, put up flyers, with permission
- Join a weekly Bible Study, *or start one if none exists*
- Find a Paul, a Barnabas and a Timothy - connect weekly & pray like the dickens
- Keep in regular contact with your family and friends and us; we all want to know you are safe and want to hear from you. Send prayer requests via email or Facebook (if allowed). Let us know what to send you in a care package and **what mailing address to use** (post this on our FB page (it's a secret page)).
- Partner with someone back here to pray with you weekly on Zoom, FB Video or Facetime (if available)
- Practice developing spiritual leadership skills by reaching out to others around you. Don't let the enemy encourage you to waste the time. When Paul was in jail he shared his faith with others. Be fruitful.
